

Your OLD Cell Phone Could Save a Life.....

The West Crisis Response Team – of the San Antonio Police Department will be collecting **used/old cell phones** to give to clients so they have a means to call 911 in situations of family violence.

The SAPD will send the phones off to a company to remove/clear all data. If you would like to donate your “left-over” cell phone, please contact:

Karla G. Kilmer
West Crisis Response Team - SAPD
7000 Culebra, San Antonio, TX 78238
Office: (210) 207-7916 Fax: (210) 207-7422

Thanks! Your old phone could be a lifeline.....
